

# Reed Education Campus Art Exhibit August 20, 2011

Carmen Mantay, Shirley Webb, Gail Peele, Dr. Theresa Hodges

## Mission

The Reed Educational Campus provides a home-style environment for at-risk, tween girls to foster self-esteem, healthy lifestyle and academic success.

Professionals provide educational classes in reading, math, science, health and nutrition, language arts, creative expression, environmental responsibility and physical fitness. Additional components include listener sessions, provided by licensed mental health counselors and computer training.
