

JOIN
WOMEN
ON THE BRIDGE

Women around
the world
are gathering
on bridges!

Join us in celebrating International Women's Day, and join women across the globe in a campaign for peace.

What began in 2010 when women in Rwanda and Congo gathered on a bridge to call for peace, has now become an international phenomenon symbolizing how women can build bridges of peace and hope for our future.

**Date: March 8, 2012 International
Women's Day**

Time: 12:00pm–1:00pm

**Location: Main Street Bridge,
Jacksonville**

**We will gather in the courtyard at
The Jacksonville Landing at 12 pm.**
